Welcome!

This is just a quick note of introduction from all of us at the Out of School Club. Congratulations on your child being accepted into our school.

If you would like them to join our Out of School Club, please contact me using the above options (the email address is the best) and I will send the necessary paperwork out to you.

We look forward to meeting you and the children in September.

Teresa Hodgson

On behalf of the Management Committee and staff at St. Bernadette's Out of School Club.
