

St Bernadette's Catholic Primary School - Oak Plants

Gospel Value
Stewardship –
responsibility for our
common home

Key Vocabulary

Leaf	
Flower	
Blossom	
Petal	
Fruit	
Berry	
Root	
Seed	
Trunk	

Key Knowledge

Growing locally, there will be a vast array of plants which all have specific names. These can be identified by looking at the key characteristics of the plant.

Plants have common parts, but they vary between the different types of plants.

Some trees keep their leaves all year while other trees drop their leaves during autumn and grow them again during spring.

Previous learning –

- Plant seeds and care for growing plants.
- Understand the key features of the life cycle of a plant and an animal.
- Begin to understand the need to respect and care for the natural environment and all living things.
- Explore the natural world around them.
- Recognise some environments that are different to the one in which they live.

Key Vocabulary
