What I should know-

I know that rich Tudors had plenty of everything whereas the poor Tudors had very little. I know that poor people in Tudor times had difficult lives. I know that rich people in Tudor times enjoyed a variety of food, clothes, entertainment, and past times. I know that rich Tudors used more expensive materials to show their wealth.

Timeline

April 10, 1912, 09:30: Passengers arrive in Southampton and board ship.

April 12 and 13 1912: The Titanic sails through calm waters

April 14 23:40: The lookouts see an iceberg dead ahead.

April 14 23:50: Water has poured in and risen 14 feet in the front part of the ship

April 15th 00:00: The captain is told the ship can only stay afloat for a couple of hours.

April 15 00:05: Orders are given to uncover the lifeboats and to get passengers and crew ready on deck.

April 15 00:25: Lifeboats are now loading with women and children first.

April 15, 00:45: The first lifeboat is safely lowered away.

April 15 02:05: The last lifeboat leaves.

April 15 02:20: The Titanic's broken off stern settles back into the water.

April 15 08:50: The Carpathia leaves the area bound for New York.

Key Knowledge

- Titanic sunk based on several reasons, including ignoring ice warnings, lookout crew not being equipped with binoculars.
- There was a social class system during 1912.
- Passenger comfort was prioritised over safety regulations.
- Over 1500 people died because of the sinking, with many survivors experiencing "survivors' guilt".

1,324 passengers and 884 crew were on board the ship.

1,514 people drowned or died from hypothermia.

6 people were saved from the water.
